

# Written Promise for the Artist

This promise seeks to create an agreement with artists and/or the Company who holds the works of art, to allow permission voluntarily to Artlicity to promote and sell their artwork through our innovative digital platform [www.artlicity.com](http://www.artlicity.com). When joining Artlicity, the artist is made aware that he/she is agreeing to allowing our platform to create a limited series of their art. Although all artwork will be considered, not all artwork will be automatically seen on [www.artlicity.com](http://www.artlicity.com). Only artwork deemed most marketable to our selected audience will be chosen by the selection committee.

The promise is that Artlicity, through its digital platform [www.artlicity.com](http://www.artlicity.com) will publish the artwork of the artist and/or the Company who holds the works of art, for the purpose of promoting and selling their product. The supplier will provide Artlicity with works of art along with a profile picture, and Islands in Motion/Artlicity publish the artwork on the platform [www.artlicity.com](http://www.artlicity.com), where a marketing campaign will be done in the United States to ensure an exhibition and potential sale of the artwork.

Islands in Motion/Artlicity is going to need a digital example of the artwork to be able to publish and promote the art on the website. If the provider does not have a way to provide the digital example of the artwork, Islands in Motion/Artlicity is available for free consultation regarding solutions. In some cases, Islands in Motion/Artlicity may be able to make arrangements to professionally photograph artwork.

This pledge is valid for one (1) year, where this agreement may be considered breached by either one of the parties at any time in the event of failing to comply with the mode of operation mentioned above, or if either party voluntarily decides not to follow the agreement.

I \_\_\_\_\_, agree to allow Islands in Motion/Artlicity to make reproductions in series of my artwork. The works of art will be evaluated by specialists to determine if they meet the requirements for Artlicity. By signing below, I approve and accept the proposal in good faith. I, \_\_\_\_\_, authorize Islands in Motion/Artlicity to promote my works with the aim of creating a possible sale.
